A note regarding Wholesale Vendors:

A Wholesale Vendor is defined as a vendor who supplies a lower-priced product, for volume buying, to farms or stores for re-sale.

A Retail Vendor sells directly to the consumer or end-buyer.

Minimum orders for wholesale are typically defined by the product category. Examples of minimum orders:

Plant vendors: minimum order is often 150 plants. Lavender oil vendor: minimum order of 16-oz of oil. Bulk vendors: minimum orders are usually 5-gallons of lotion, or 5-pound bags of tea. Gift products: minimum orders are often \$250; sold in case-packs of 6s or 12s.

Do you use Non-USLGA Businesses/Suppliers that would benefit from joining USLGA and getting listed here?

Please let us know -- we'll contact them.
