

Welcome to USLGA's Front Porch

Let's begin with housekeeping notes:

- Please keep your microphone muted until the Q&A session at the end, this helps cut down noise during the presentation.
- The Question & Answer session will be conducted at the end. To present a question, please enter it into the Chat box, which is located at the bottom of your screen. If you do not see any buttons there, move your mouse over that area and the toolbar becomes visible displaying the Chat prompt.
- For any technical issues during the presentation, please put a note in the Chat box and we will try to assist you.
- For a copy of today's presentation, please visit our USLGA website, this presentation will post within 2-3 business days.
- We will send an email when the Fast Facts overview is available.
- Lastly, tonight's presentation is being recorded for future access on our website, uslavender.org
