Are you an USLGA Wholesale Vendor?

A Wholesale Vendor is defined as a vendor who supplies a lower-priced product, for volume buying, to farms or stores for re-sale.

A Retail Vendor sells directly to the consumer or end-buyer.

Minimum orders for wholesale are typically defined by the product category. Examples of minimum orders:

Plant vendor: minimum order is often 150 plants

Lavender oil vendor: minimum order of 16-oz of oil

Bulk vendors: minimum orders are usually 5-gallons of lotion, or 5-pound bags of tea

Giftware/Package products: minimum orders are often \$250 in merchandise (sold in case-packs of 6s or 12s)

Would you like to be in this USLGA Wholesale Directory?

Contact Michele Hyson, the Executive Director: execdir@uslavender.org

Deadline:

Submit before the 10th of the month to be included in the next month's directory.

Same deadline for any changes to your listing.

Directory Listing information:

Review the directory above, and submit the information you would like to see in your listing, and be sure to include:

- contact information: business name, state, email, website, phone (name is optional)
- copy to sell your products/services, including minimum order (\$ or Qnts)
- hi-res JPG of your logo .JPG .JPG
- the categories you want to be listed in

Note: We need ALL of the above information to get your business into the directory!

Directory vs Website-Profile:

At this point, the USLGA Profile is NOT connected to the directory. Hoping to do so in the future, but we're not there yet.

So you must email the execdir@uslavender.org with your information to be included in the directory.

Do you like this Vendor Directory?

If you would like to be added, or have suggestions for improving your listing, please let us know.

Do you use Non-USLGA Vendors that would benefit from joining USLGA and getting listed here?

Please let us know -- we'll contact them.
